Rotary Moment 532 – by Bob Shoemaker *The United Way – Nancy Vaughn*

Last week we met with the kickoff of the United Way campaign. We remember that the United Way has been a part of most of our lives for a good many years. For some of you it has been a part of your entire life. But before the United Way was organized there was for many years the Community Chest of Anderson.

At the time of the formation of the United Way of Madison County Rotary Past President Frank Allis, later mayor of Anderson, was personnel director of Guide Lamp. Frank Allis was a great believer in the United Way and was very pleased when the change was made. He once remarked that, "Employees could now no longer avoid giving by saying, 'No.... I already gave in Elwood'".

The United Way, a fair way, a Rotary... "Service Above Self" way.
