A lot of people do not know this about me:

Although I worked in management all my life, my father was a strong organized labor leader and names me after John L. Lewis.

And the Rotarian is.....Bill Pitts!

Bill Pitts is retired from General Motors and served as President of United Way.

Words from President David

I hope everyone was able to see the nice article about our school project in yesterday's newspaper. Principal Gomez called the paper herself and requested the story. I would characterize last week's project as a big success. I think there is some fine-tuning we can do next year. I want to thank everyone who helped with this project. Janice and I will verify the names on the list and give them to Debbie for make-ups I thank everyone who helped. This feels like my first mark in the win column for my year as president.

The Halloween Committee has been working hard to plan a fun evening on October 30, which takes the place of the regular meeting. Social time starts at 5:00pm. The grill will provide food and a cash bar will be available. At 6:30, kids from Alternatives with the help of the Interact Club and students from Southview will be invited to trunk or treat and play games. This is a social event that has turned into a service project. Please bring in bags of candy to use in the trunk or treat.
