The Things You Need to Know on Election Day

Indiana Secretary of State Todd Rokita encourages you to "know the rules and use the tools" to ensure you are able to successfully cast your ballot.

Make sure you are registered to vote. The deadline to complete the Voter Registration Application form (VRG-7) is October 6, 2008. Verify your registration status online at www.IndianaVoters.com, with your county clerk's office, or by calling the Hoosier Voter Hotline at 866-IN-1-VOTE.

All registered voters are eligible to vote absentee-in-person by appearing in the office of the county clerk with a photo ID during the 29 days before Election Day, beginning October 6, 2008 to noon, November 3, 2008.

Verify your polling location before Election Day by visiting www.IndianaVoters.com or call Hoosier Voter Hotline, **866-IN-1-VOTE**.

Polling locations are busiest from 6 am to 9 am and from 3 pm to 6 pm. If you are concerned about long lines, visit your polling location off-peak.

Indiana voters are required to show photo ID on Election Day. It must:

- Display the voter's photo
- Display the voter's name
- Contain an expiration date
- Be issued by either the State of Indiana or US government

District 6560

There is about to be club number 45 in the District. Westfield has now organized and meets as a provisional club. This makes attendance at Westfield eligible for Rotary make-up credit. You may join this group of potential Rotarians each week when they meet at Tuesday noon at the Bridgewater Country Club on 161st Street just west of Gray Road. This Tuesday's meeting will add one more club to the number that meet at that time. Fifteen of our district's existing clubs now meet at noon on Tuesday.

We wish Westfield well as they prepare to join the worldwide fellowship of Rotarians.
